

course on the University of Nebraska-Lincoln campus, just one English course for all of the diversity of the colleges that are going to be using English studies. Obviously, we will not do that. Senator Cullan refers to activities of that nature where the students differ. He refers to that as duplication of English on the Lincoln, Nebraska University campus. There can't be anything any more really and truly asinine and a misunderstanding of the needs of people than to say that duplicating the Hastings and Grand Island campuses of Central Nebraska Tech is a duplication of higher education. There can't be anything farther from the truth. If we are to serve those we represent, we must serve those who we represent and not a false god of efficiency by government. Serve the people or get out. Please support my amendment.

SPEAKER LUEDTKE: The question is the return of LB 922 to place on it the Kelly amendment. All those in favor vote aye, opposed nay. I would remind everyone that we are still under Call. All Legislators are to be at their desks. Have you all voted? Have you all voted? The House is already under Call so you can't put it under Call, Senator Kelly. Do you want a roll call vote?

SENATOR KELLY: Yes, Mr. President, I would like to ask the Sergeant at Arms to check the attendance and also would call for a roll call vote.

SPEAKER LUEDTKE: All right. We will make a record of the votes and then, Senator Kelly, we will allow you to record your presence so we see who is here and who is not. Will everybody please record your presence one time. The House is still under Call. They should be here. Would all non-legislative personnel leave the floor? All Legislators return to their desks. Sergeant at Arms, return anyone who is supposed to be at their desks. The House is under Call. Senator Venditte. Senator Rasmussen, are you here? Senator Goodrich. Senator Mills. Senator Dworak. Senator Bereuter. Senator Keyes. Senator Simon is excused so that is seven that are excused. Senator Mills. Senator Maxey. Senator Mills, Senator Maxey and Senator Savage is here. Senator Kelly, do you wish to wait for these people to be here?

SENATOR KELLY: Please, Mr. President, we have been inconvenienced enough. Let's proceed.

SPEAKER LUEDTKE: All right. Proceed with the roll call.

CLERK: Roll call vote taken. (See pages 1850 and 1851, Legislative Journal.) 16 ayes, 17 nays, Mr. President.

SPEAKER LUEDTKE: Motion fails. Although the time is up, I have been advised that there are two more on this motions' list, one of which only requires an emergency clause, and Senator Fowler says there is just a minor amendment which is agreeable to the bill's introducer, if they could take up first Senator Fowler's motion and then Senator Hefner's motion. If there is no objection by the members of the Legislature, we could take those up so that these can go on to Final Reading. Is there any objection? All right. Senator Kennedy, did you object? All right. Motion that the Call be raised. The Call is raised. Do you want to
